## EXPERIENCE

### LAGUARDIA COMMUNITY COLLEGE | IT SUPPORT ASSISTANT

Oct 2023 – Jul 2025 | Long Island City, NY

- Facilitated a smooth transition for faculty and students by assisting senior technicians with the installation and configuration of new equipment and software in academic labs.
- Resolved user inquiries efficiently by utilizing a ticketing system, phone, email, and in-person interaction.
- Ensured a smooth learning environment for students by assisting them with software-related issues during open labs.
- Resolved hardware and software issues by providing technical support to faculty and students in academic labs, open labs, and smart rooms, specifically addressing issues with PCs, iMacs, printers, Extron A/V systems, Deepfreeze, and SSCM software.

### RESEARCH FOUNDATION OF CUNY | IT SUPPORT ASSISTANT

Jun 2024 – Jun 2025 | Long Island City, NY

- Ensured data integrity and accessibility by performing data transfers, backups, and recovery tasks.
- Optimized system performance and reliability by implementing minor adjustments and routine technical updates to hardware, software, networks, operating systems, applications, web pages, and data tables.
- Resolved hardware and component failures promptly by replacing faulty equipment/components and fixing electromechanical components.

### CVS HEALTH | OPERATIONS MANAGER

Jul 2021 – Jul 2023 | New York, NY

- Supervised day-to-day operations of the Cosmetics department, overseeing inventory control, planogram compliance, staff training, vendor coordination, and customer-facing merchandising to support category performance.
- Implemented methods to ensure efficient and effective delivery of services and products to customers while exceeding company targets for sales, profitability, and customer satisfaction.
- Managed and trained a team of 60 employees, ensuring optimal performance and adherence to company policies and procedures.
